

**This statement of compliance applies to Kuro Sumi IMPERIAL.**

Directive 1907/2006/EC is the European Union Regulation concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). This directive was amended by Regulation 2020/2081 to add tattoo and permanent make-up ink to the list of regulated products in Annex XVII. The REACH directive establishes provisions on chemicals and mixtures as well as their uses.

Directive 1272/2008/EC is the European Union Regulation concerning the Classification, Labeling and Packaging (CLP) of chemicals and mixtures.

Ink Projects has reviewed the information provided by our materials suppliers, and checked through lab reports, and can confirm, to the best of our knowledge, that all our supplied inks are in full compliance with the regulations. Ink Project has reviewed the information available from our suppliers, and checked through lab reports, and confirms, to the best of our knowledge, our inks do not contain any Substances of Very High Concern (SVHC) in concentrations above 0.1% by weight.

Ink Projects has reviewed the information provided by our suppliers in combination with testing performed on our finished products and confirms, to the best of our knowledge, that our supplied inks are not classified as a hazardous material under CLP.

Ink Projects has prepared this REACH Statement of Compliance to the best of our knowledge and the information available to us. It is provided in good faith and can be used by customers and distributors under their own responsibility. Ink Projects will continue to monitor relevant changes in REACH and provided by our suppliers to keep this statement accurate.
